The **DOCS** at the bottom of the page:

1. Thanks for your support. You have a 24 hour pass to these files. In other words, this page will self-destruct in about 24 hours. If you need to close this page now, then yes you can bookmark it for use later in the day.
2. Make sure you backup what you've downloaded.
3. If you are on a CELL PHONE, PDA, PSP, etc. or a computer at WORK, then you may copy or write down this URL to use later on your home PC. Also, this URL is mailed to you in a separate letter to your PRIMARY paypal email address in addition to the paypal confirmation letter.
4. If you do not receive the email notification with the URL within 3 hours, it means 99% of the time that you are NOT checking the primary email address you have on file with paypal; your primary paypal email address is no longer active; you or your ISP have an improperly configured spam filter; or you have an email validation system that requires human input of some sort set up.

5. After you download all the files you want please read the [FAQ](#) before you [EMAIL](#) me.
